You Collect What?	12
Start Your Own Collection	14
Glossary	16

Can you spot the girl among all the stuffed animals?

Introduction

Do you own a few stuffed animals?
Then you have a **collection**.
A collection is a group of things
that are **alike**.

People collect things that they like.
Some people collect rocks.
Other people collect cars.

It can be fun to count all the items in your collection.

Two boys choose stamps to add to their collection at a big meeting of stamp collectors.

Collecting Is Cool

A collection can be big or small, such as fifty stamps or ten baseball cards. Some people **meet** with other people who collect the same things.

A collection can be hard work.
Some people like to care
for their collection.
They keep count of their things.
They keep them clean.

You can collect sports
cards of today's players
or players from long ago.

A boy and a girl look closely at their coin collection.

Common Collections

Many people like to collect things
that are easy to find.
People collect **coins** and **dolls**.

Math Minute

Emma has 34 bookmarks in her collection. She gets 11 more for her birthday. How many bookmarks does she have now?

Answer: 45

This girl shows a snow globe with seals that she bought in San Francisco, California.

Some people collect things from places they visit.

It can be hard work to find a beautiful shell on a beach (top). This girl and her father gather leaves for her collection (bottom).

Other people collect things they find outside.

10

Some people throw away bottle caps. Others use them to make art.

You can also make art out of a collection.

Pam Barker proudly shows her owl collection.

You Collect What?

Some people collect things based on type.

It can take a long time to build a collection.

One woman has more than eighteen thousand things with owls. She has owl shirts, owl toys, and more.

12

This man shows one of the locks in his collection. They are between one hundred and six hundred years old!

One man has more than seven hundred locks.

wowser!

You can see more than one thousand toilet seats at the Toilet Seat Art Museum in San Antonio, Texas. These aren't plain white toilet seats. Barney Smith has made each toilet seat into a work of art.

I Collect That! • Level H

13

A collection can also be really strange. Some people collect lists that other people have left behind in food stores! What would you like to collect?

This man has collected over one thousand spoons from different airlines.

I Collect That! • Level H

15

Fruit stickers come in many different shapes, colors, and sizes.

Start Your Own Collection

You can start a collection, too! Why not start with something easy, like fruit stickers? One woman has more than ten thousand!

14
